### Facial Treatments

At Beauty Impact we use 'Algologie' & 'Fleur De Mer' skincare. Algologie's philosophy is to maintain beauty, preserve youthfulness and improve wellbeing internally. If we have great skin, we need to keep it that way. For others it's about getting great skin no matter the skin problem. All possible with Algologie's natural rich sea plant extracts. 'Fleur De Mer' is a non-surgical skincare based on science and research. Safe, Effective and Affordable. Owned and made here in Australia with their own unique technology for brilliant results.

### **Treatment Enhancers:**

#### **Jelly Mask/ Rubber Mask \$25 :**

A jelly mask contains more alginate than rubber masks thus giving them texture like jelly. Jelly & rubber masks form an occlusive seal over the serums or treatment masks under them, allowing greater penetration of nutrients into the skin. They provide extra hydration and instant soothing effects all at once.

#### **Desincrustation \$30 :**

This treatment is specifically for acne/ problematic skins. It aides in decongestion of the skin.

#### **Iontophoresis Therapy. \$30 :**

This therapy increases the absorption of products up to 1000 times more than any other device.

Great for depleted skins. **Enzyme**

#### **Peel/ AHA Peels. \$40**

#### **LED Light Therapy:**

As an Add On : \$35. As a  
Stand Alone Treatment \$49

#### **Add Neck & Décolletage. \$30**

**Level 1: The Initiate Therapies...from \$98. (50 min).** Skin treatments designed to renew and repair cellular activity in both the epidermis and dermis delivering vast amounts of supplemental nutrients establishing healthy cellular activity in any age skin.

##### *L1. 1 Remineralising Treatment.* from \$98

For all skin types. This treatment assists in replenishing the skin with much needed nutrients, for healthy function.

##### *L1. 2 Detoxifying Treatment.* from \$98

For all skins as well as problematic aiding in the removal of toxins and toxic waste, allowing the skin to functional a higher level of health and glow.

##### *L1. 3 Sensitive Skin Treatment.* from \$98

For those with fragile skin and those sensitive to certain ingredients, as well as those who have a barrier function problem. Re-establishing the immunity of the skin and re-building the outer membrane of the skin allowing the skin cope easier with everyday function.

*L1. 4 Repair.* from \$98

A finale in the level one series of treatments to strengthen and repair all skins for the Australian climate. While also ensuring healthy cell turnover and the beginning of collagen growth.

**Level 2: The Intensive Care Skin Therapies.** from \$129 (75min). For those with persistent skin concerns that require deeper more concentrated therapies. These treatments are adapted for all skins. Iontophoresis or ultrasonic blade can be used with serums to treat concerns.

*Anti Wrinkle Treatment.* from \$129

This 'shock treatment' focuses on restructuring Collagen and Elastin fibres and firming slackened tissues to provide a virtual 'lifting' of the facial contours. Combining the benefits of seaweed and essential oils, to replenish the skin with vitamins and oligo-elements.

*Dry, Dehydrated Skin.* from \$129

Replenishes moisture & oil to a skin that is dry and flaking, combining nourishing benefits of seaweed & stimulating properties of essential oils. It re-establishes the inter-cellular cement and improves the texture of the skin while helping to reduce the signs of aging.

*AlgoPure.* from \$129

This treatment is deep cleansing and anti-inflammatory, working on purifying, decongesting, repairing, and strengthening the skin against systems related to hyper seborrhoea.

*Sensitivity and Heat.* from \$129

For sensitive skins showing signs of heat and fatigue. Working with the arctic seaweeds to help combat extremes of heat combined with high colour not just from capillary damage. An ideal skin treatment for those suffering from hot flushes associated with menopause.

*Anti Ageing with Sensational Seaweeds.* from \$129

Lift action and tightening. To repair the first signs of ageing and preserve a younger looking skin due to life style, and over exposure of free radicals. This treatment guarantees optimal hydration and a higher cellular defence to keep the skin looking soft and supple.

**Level 3 : Advanced Care Skin Therapies.** from \$145 (75-90min) These treatments are to be performed after one or more of Level 1 or Level 2 treatments. Serums will be used with iontophoresis or ultrasonic blade depending on the ampoules to required electrode, oxygen infusion etc.

*Level 3 : Advanced Redefine Age Essentials 50+.*

Anti-ageing to meet the skins needs of lack of moisture, while needing cellular activity, stimulating collagen growth and protection against free radicals. We help in reducing the appearance of the fine lines, evening out skin tone whilst stimulating micro blood circulation in the epidermal layers of the skin.

*Level 3 : Advanced Anti-Ageing – Rivage Pro Collagen 40+.*

A complex of pure seaweeds and marine plant extracts combined in precision layers of treatment to target each contributing factor in skin ageing. Strengthening support tissue and helping to return optimal levels of hydration & elasticity.

*Level 3 : Advanced Moisture Drench 35+.*

Adapted for all skins. This treatment replenishes , rebalances, and retains the proper levels of hydration in the skin. Increasing elasticity and boosting the skins energy to absorb the necessary active elements, while providing a superior moisture treatment. For the 35+ skin in need of intensive hydration due to climate, ill health or simply a dehydrated skin.

## **Eye Treatment**

**Cosmeceutical Skin Therapies. from \$159 (80min).** The products used in salon are of cosmeceutical grade. Meaning they have cosmetic & pharmaceutical benefits, including medical grade ingredients to give proven results for targeted skin problems.

*Vitamin C Skin Antioxidant & Lifting Treatment.*

This treatment is a concentrated tightening, Vitamin C infused mask. It brightens & lifts the skin while increasing blood & lymph flow. Leaves the skin feeling firm, refreshed and glowing.

*Acne Control Treatment.*

This treatment includes the use of fruit acids & desincrustation, high frequency and more to treat the skin.

**Facial Treatments. from \$55** These treatments are perfect for those who just want to have some timeout & treat themselves and they're skin.

*Express Facial. \$55 (30min)*

Perfect for teenagers & those short on time. Double cleanse, exfoliation, toner, moisturiser & SPF. Instantly refreshing.

*Mini Facial. \$65 (40min)*

A mini facial treatment doesn't just clean your skin, it also helps with cell turnover, encouraging the growth of healthy new cells. Double cleanse, exfoliation under steam, treatment mask, toner, moisturiser & SPF.

*Anti-age Treatment. \$135. (75min)*

A tightening lymphatic mask designed to improve the skins health & circulatory system by removing waste. A double cleanse, enzyme exfoliation, lymphatic facial massage. While the mask is on it tightens and pulsates working the circulatory system. A hand/arm massage is performed while the mask is giving your face a workout. Removal of this mask is by hot towels infused with essential oils. Finishing off with toner, serums, moisturiser specific to your skins needs & SPF.

*Relax & Hydrate. \$135 (75min)*

In need of some you time? Escape the outside world with this wonderfully nourishing treatment. We begin this treatment with 'Algologie's Touch' therapy to help you relax into the treatment. A double cleanse, enzyme exfoliant under steam. A face, neck & décolletage massage with treatment serums/creams/oils specific to your skins needs. A jelly/rubber mask is applied for deep hydration and penetration of the treatment serums & creams. While drifting off a relaxing hand/arm massage is performed. Upon removal of the mask, toner, serums, moisturiser & SPF are applied.
